Early Wide Vision and Center Cupola

End of car standing platform caution stripes vary extensively per model and era. Cut to fit your model and specific prototype if needed.

Center Cupola (repaint ‘86)

White dot indicates wheels don’t pass

Late Wide Vision Repaint

Last Wide Vision Red Repaint

Use larger logo

Wood Caboose Repaint

SI&ECO – 921-923 & 931-933

Examples at: http://www.rrpicturearchives.net/

Repaints after 1980 should not have wheel dots, ACI plates or single lube plates
